

Play Squash

without a membership

Welcome to the largest squash club in the country, Devoy Squash & Fitness Centre, and our #payandplay casual squash option. Play squash at your convenience 7 days a week without committing to a regular membership payment. Play when it suits by accessing our online booking system allowing bookings up to 8 days in advance.

TO RECAP - you will have registered online and received a confirmation email that will allow you to set up a username and password. Forgotten your details then go to <http://www.devoys.helloclub.com/> and request to reset your details or contact the Devoy Squash office.

ONCE LOGGED IN TO HELLO CLUB - simply find the day and time you wish to play on the booking system and select. Usually you will be playing with a visitor so select that option. Accept the conditions as shown and proceed to the payment screen. It is strongly recommended you tick the "send email" box as you will then be sent the important pin number to access the front door and turn on the court lights. Note #payandplay members are excluded playing at peak time 5.30-7.00pm Mon - Fri.

PAYMENT SCREEN - at the payment screen follow the instruction to complete payment. Once completed you will be issued a one time pin number. The pin number will be included in the confirmation email mentioned earlier or you can go back to your original booking on Hello Club and the pin is viewable here.

DISCOUNT OPTIONS - playing often and want to save \$\$\$ then check out the discount coupons. Simply pre-purchase a coupon and save up to 20%. Coupons can be purchased from the Hello Club home page.

AT THE CLUB - now you have your pin number enter this at the front door to gain access to the building. A booking screen is located on the main counter to check what court you have booked. Find your court and enter the pin number again on the touch screens on the walls closest to your court as per pictures below. Note there are 2 screens depending on which bank of courts you are playing on. The lights will run for 45 mins and then time off.
